- ❖ Planning and organization of the grandest enclosed events of Tempaus, e.g. Tempaus Gala and Tempaus Celebration at Kansalaistori

Member of Party Committee 2016

- ❖ Bringing into life the three party jewels of our student union (Gravitaatio, OtaWappu and Lakinlaskijaiset)

Smökki Kitchen Instructor 2016 ->

- ❖ Education of the usage of an industrial kitchen for new users

AYY 6 years Annual Ball Committee

- ❖ Planning and carrying through the annual ball of the student union

IE, Hosts & Hostesses 2015

- ❖ Organization of e.g. Polin Appro and Freshmen's Winterday

... and in Chemistry Guild

Hostess and Head of Internal Affairs 2015, member of the board

- ❖ Planning, budgeting and organization of different internal events of the guild

Head of External Relations 2014, member of the board

- ❖ communication with other student organizations in the field of chemical engineering in Finland and other Nordic countries
- ❖ guild's alumni relationships
- ❖ Neon RAVE, preWappu
- ❖ overseeing the sports and cultural sector of the guild

Besides a/m, I have participated in carrying out the guild's annual ball both this and several previous years, acted twice as reporter for the guild journal, served as an assistive host and tutored two different intakes of Process Engineer (PT) freshmen.

Referees: I will gladly give my referees' contact information if needed.

Work experience

Summer 2016 + December-January 2016-17: Laboratory worker, Forensic Toxicology Department, National Institute for Health and Welfare (THL), Helsinki

- ❖ Performance of different analyses for various drugs and narcotics.

Summer 2015: Factory worker, Tikkurila Plc, Vantaa

- ❖ Operation and maintenance of a partly robotized paint filling line.

Summer 2014: Food production worker, Starfood Finland Ltd, Vantaa

- ❖ Two-shift working in various tasks connected to the field of airline and snack food production.

Summer 2010 – September 2013: Café employee, Ben & Jerry's Kamppi, Helsinki

- ❖ Sales & cashier working and customer service at a popular ice cream café.

Badminton coach, Puistolän Urheilijat ry, 2008–2009

Hobbies & interests

Besides the active student organization volunteering, my favorite leisure time activities are running, gym and passionate testing of new, usually Asian, recipes in our kitchen. Also, almost without exception, I can find a couple of weeks per year for travelling, both inside Europe and further away.
