EDUCATION

2018 Spring Tsinghua University, Beijing
Exchange Studies. Taking courses in Computer Science and Management.

2015- Aalto University, Espoo
B.Sc in Economics. Expected to Graduate in 2018.

2011-2014 The English School of Helsinki, Helsinki
WORK EXPERIENCE

Nov 2016 - July 2017 Project Worker, Dingle
Working part time at the digital marketing company Dingle for multiple different customers. Mostly focusing on Social Media.

Summer 2016 Summer Project Worker, Aalto University
Participated in a new concept where students were connected with early-stage startups. I worked with a lighting related startup. My jobs included outlining the marketing plan, focusing the target market and ideating bootstrappable marketing practices.

Summer 2012 Summer Intern, Remedy Entertainment and Sulake
Got the job by winning a case competition by NeoGames.
Learned a lot about the Finnish Game Industry. Pretty much started my interest in startups and technology.
