EDUCATION

AALTO UNIVERSITY SCHOOL OF SCIENCE

FROM SEPTEMBER
2016

BACHELOR OF SCIENCE, INFORMATION NETWORKS

- ▶ By this far my studies have included communications, programming, basics of web development, industrial management, mathematics, languages and philosophy. I have managed to succeed in a good level with my studies and my current average grade is **3,59**.
- ▶ What interest me most within my studies is **communications and human resources somehow related to IT**. In the future I am going to focus on learning more about organisational communications, industrial psychology and leadership.
- ▶ I know basics of Scala, HTML, CSS and JavaScript and I can for example develop simple website or game.
