Introduction

"I study at Aalto University and my major is computer science. I am passionate about self-development and learning in all its forms. I have a strong multi-cultural background, and that is why I am eager to discover the world. My more down-to-earth hobbies are music and sports, both in various forms."

Education

Student at Aalto University 2014-

· Major: Computer Science
· Minor: Leadership

Graduate from German School Helsinki High School 2014

· Teaching language German/Finnish
· Reifeprüfung-degree (German version of the YO-degree)
